

LOUIS AUFDERMAUR JR.

March 9, 1930 – January 24, 2021

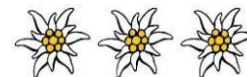

Lifetime member **LOUIS AUFDERMAUR JR.**, 90 of Lodi, passed away on **January 24th, 2021**, from cancer. Louis was born on March 9th, 1930 to Louis & Annie Aufdermaur natives of Switzerland. Louis was made in Switzerland but born in Banta, CA and raised on the family grade dairy in Lathrop. He bought 3 registered Holsteins in high school to show in FFA and won many championships, judging contests and was awarded the American Farmer Degree, which led to his passion to have a Registered Holstein Dairy. He graduated from Manteca High School in 1949 and was married in 1952 to Doris Betschart. They had 6 children who all were involved with the dairy and showing cattle. They moved the dairy to Turlock and had many excellent cows that won many awards for milk quality and quantity which led him to

being named the CA Holstein Association Senior Breeder of the year! His signature loud laugh will be missed by all. He sang in the Swiss echoes, played Jass and went to Swiss events. Louis and Rose Jaurequito were happily together for over 15 years and enjoyed socializing, church and meeting with family. He had a great group of friends who met every Friday to eat breakfast, laugh and talk.
